

## JOIN THE TEAM

Every day The Scout Association gives thousands of people the opportunity to have fun, get outdoors and challenge themselves at our Activity Centres, based around the UK. Whether it's on land, water or flying through the air, people who come along to our Activity Centres always leave with a smile on their face, and it's all down to our wonderful volunteers. Why not come and join us?

We're looking for volunteers from all over the world who want to have fun, make friends and get qualified. We'll train you, provide your food and accommodation and give you a CV to be proud of. There are roles to cater for everyone – indoors and outdoors. All we need is your enthusiasm.

## WHERE WILL I BE BASED?

You'll get a spot at one of six Scout Activity Centres in the UK. Our Activity Centres are in a prime location for people looking for outdoor adventure, which means the view from your room could be anything from acres of beautiful woodland to lakes that stretch as far as the eye can see!

## CAN I APPLY?

Absolutely! You might be on your gap year, taking a break from the world of work or study or just want to flex your volunteering muscles and get some work experience – either way, we want to hear from you. All our volunteers must be over 18.

If you want to request an application form or just have a chat about what you might get up to, give us a ring on **+44 (0)208 498 5300**, email **[volunteering.sac@scouts.org.uk](mailto:volunteering.sac@scouts.org.uk)** or go to **[scoutactivitycentres.org.uk/workwithus](http://scoutactivitycentres.org.uk/workwithus)**

# HOW LONG CAN I STAY?

## LONG-TERM VOLUNTEERING

Our long-term volunteers stay for a set placement of three, five, eight or 12 months at a time. If you opt for one of these placements, we'll provide your accommodation, food and uniform for free. You'll also get some pocket money every week and we'll subsidise trips for local days out. and activities that you want to take part in. To top it all off, we'll train you to run activities for the young people who visit our centres on a daily basis, so you'll leave with formal qualifications, as well as friends from all over the world. Short-term opportunities are also available - ask our team for details.

3.5.8.12 MONTHS

# VOLUNTEER LOCATIONS

With six Activity Centres across the UK to choose from, you're bound to find a location that inspires you!

**'I have learnt so many valuable things; customer service skills, confidence in speaking to groups. Being a volunteer teaches you so much and has been an incredible experience'**  
– Maggie, Canada

**'The best thing about volunteering for Scout Activity Centres was living and working with different people from all around the world, sharing amazing moments and experiences'**  
– Chiara del Bello, Mexico

**'Running a great session will make your day – especially when the kids remember you and call your name later'**  
– Chia-Feng Yen, Taiwan
